Testimonials

"I can't begin to say enough about you and Riteway Catering. At the opening of our flower shop, the quality and taste of the food was extraordinary. Most folks come to an event like this to eat a little and leave. Our guests came and ended up spending over three hours with us, mostly because the food was phenomenal.

All of us at Wolz's Florist highly recommend Riteway Catering to our brides and corporate clients. Let us recommend them to you also."

"As a treat for my restaurant employees, I sometimes order barbecue from Riteway for our family meal before service...a near-brawl ensues as everyone fights for the last tasty bit...Darryl's barbecue is righteous!"

- Chrysa Kaufman

Chef/Owner, Rancho Pinot Grill and Nonni's Kitchen

"I've been in the event business for a number of years and have used dozens of caterers, and one thing is for sure... Darryl sure knows his BBQ. We invited Riteway Catering to showcase their food at our meet and greet

before the grand opening of F1 Race Factory, and boy did they impress. I especially liked the Rib Tips. I'm really looking forward to working with Riteway Catering Co. again. Their food and service was what you would expect from seasoned veterans in the catering business."
